IOGCC Hot Topics Sept 2015 (Region 9).docx

Andrew and Rob,

Attached please find a hot topic one-pager for IOGCC prep regarding the CA Class II UIC Program. Please let me know if you have any questions.

Thanks,
David

Subject: Due Sept 16th: Request for Materials for IOGCC

Hello,

This is a request for materials for Teresa Marks and the AAs who are attending the IOGCC 2015 Conference at the end of September.

By Wednesday, September 16th, please send your hot topic 1-pagers and updates to the UOG

activities document to Andrew Hanson and Rob Lawrence. At the same time, please send your updates to Teresa Mark's talking points to Dale Perry.

Hot Topic 1-pagers: Using the attached format, the Regions and HDQTRs Offices/Programs are asked to prepare a 1-pager on hot topics that you think could come up during the meeting or on the sidelines that Teresa Marks should be made aware of.

UOG activities document: Programs (not Regions) should provide any needed updates to the attached document. This was recently updated.

Talking Points: Programs (not Regions) should update attached talking points (*Marks TPs. IOGCC Annual 2015 Conference*) that will serve as background points for Teresa Marks for the event. Note that this set of points, which reflect your most recent updates, has been shortened for the last occasion they were drafted for. For this meeting we would like to expand the points to incorporate the longer set of points that you have updated in the past. So some sections will need to be added back in and some sections included may need to be expanded. To assist I am providing the more comprehensive but older set of IOGCC points from May (*Marks Talking Points – IOGCC- Mary 2015*) for you to pull from and incorporate as needed into the Annual 2015 Conference TPs document.

Thank you

Mary
